About the Collection

Owen Gromme retired in 1965 as the Curator of the Milwaukee Public Museum. Marshall & Ilsley Bank of Milwaukee commissioned Gromme, then at the age of 70, to paint whatever he pleased. It was during this time that Gromme's painting career took off, as he produced 42 wildlife paintings, all breathtaking and extraordinary with unparalleled attention to detail, realism, and emotion.

Holy Wisdom Monastery is pleased to share many of The Gromme Master Prints, a collection of artist proofs, as well as several other pieces from Gromme's other collections. We hope you enjoy perusing a few of the pieces that we are able to hang in the gallery space at Holy Wisdom Monastery.

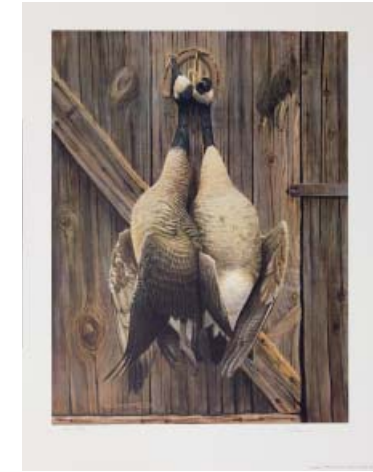

If you are interested in viewing more pieces of the collection, or wish to purchase pieces in this collection, please contact Mike Sweitzer-Beckman, director of development, at mikesb@benedictinewomen.org or 608-836-1631, x124.
