## About Holy Wisdom Memorial Courtyard

Holy Wisdom aspires to ever greater levels of hospitality. The monastery land has long been sacred ground and our guests experience this quality when they visit.

In seeking ways to expand its service to the Sisters' community, Sunday Assembly, Oblates, Friends of Wisdom Prairie, coworkers and other stakeholders, the Benedictine Women of Madison identified the need to expand interment space for the cremated remains of loved ones.

This space will serve as a ministry to individuals and families with an immediate need and those who seek peace by pre-planning their final resting place in advance. It is a privilege to extend Benedictine hospitality and comfort to those who are grieving.

*“They’re building on an old story, in a new way. ‘That all may be one’ inspires me – families have a sacred space for their loved ones and may God bring us all together to everlasting life.”*

– Norma Madsen, Donor & Volunteer

**Columbarium:** A structure for the respectful storage of cremated remains.

**Ossuarium:** A freestanding granite structure that includes niches and an ossuary vault for communal burial.

## Did You Know?

According to a 2018 study by the National Funeral Home Directors Association, 60% of Wisconsin residents chose cremation over traditional burial and this rate is expected to increase to 80% by 2035.
