Caring for the Earth

Caring for the earth is part of our mission, rooted in the Benedictine values of stability and respect for all of creation. The sisters have a long history of environmental stewardship and invite others to help with this work. Many who visit Holy Wisdom Monastery discover a spiritual connection to the land—while volunteering, walking the trails or spending time outside reflecting on the mysteries around them. Come experience the wonders of nature.

Friends of Wisdom Prairie

Caring for the land as a spiritual and natural resource is one of the sisters' core values and the Friends of Wisdom Prairie are dedicated to caring for the earth at Holy Wisdom Monastery. If you value Wisdom Prairie, we would love for you to be a Friend too! Your financial or volunteer engagement will further the ecological restoration and maintenance of the monastery's 130 acres plus 60 acres owned by Dane County.
