Holy Wisdom Monastery

Introduction

Holy Wisdom Monastery is the home and work place of Benedictine Women of Madison, an ecumenical monastic community. The sisters welcome guests and encourage everyone to share in their life of prayer, hospitality, justice and care for the earth. At Holy Wisdom Monastery, activities are inclusive, ecumenical, respectful of creation and considerate of others' needs for contemplation and prayer. At the monastery, everything and everyone are considered sacred.

All guests are welcome to join the sisters in daily prayer. Respectful use of the facility is required to maintain the simple, contemplative and prayerful atmosphere of the monastery. Guests at the monastery are to be mindful of the sacred nature of the monastery.

Hospitality for Welcoming Guests

Hospitality to groups is a significant outreach of Holy Wisdom Monastery. Rather than simply renting or using space at the monastery, we invite guests to experience a place of high standards reflecting the sisters' mission, vision and values. Therefore, the sisters may request some of your group's time, usually about 5 minutes, so they can provide a brief welcome and orientation. You can also request a greeting from the sisters for your group. You can do so by contacting the guest services manager.

Daily Prayer

Benedictine Women of Madison, the community of sisters at Holy Wisdom Monastery, gathers several times each day to pray The Liturgy of the Hours. Your group is welcome to join the sisters and others in the monastery oratory on the lower level for this daily prayer. The prayer schedule is:

- Sunday-Saturday 8:00 am
- Monday-Friday 11:45 am
- Sunday-Saturday 4:30 p.m.

Centering Prayer (silent prayer)

- Monday-Saturday 7:35 am
- Monday-Friday 4:55 pm.

Guidelines for Using the Monastery Facilities

Doors:

The front entry doors of the Monastery Building are open during office hours (8:00 am-4:30 pm Monday-Friday). These doors are locked at all other times and on holidays but can be opened with door codes after hours. The doors to the Retreat and Guest House are locked 24/7. Each building has its own individual code. A staff member will provide you with these codes before you arrive. You may choose to share them with your participants before your program or event so they may come and go as needed.

Meeting Room Set Up:

You may request a special set up of your meeting room. Contact the monastery staff at least two weeks ahead of time for assistance and/or instruction if you anticipate the need to rearrange your room.

Tobacco Use:

We support a policy of clean air. Smoking is prohibited in all the buildings.

WiFi:

If you have a laptop or phone with wireless capabilities, a wireless code is available to access the internet in the Retreat and Guest House and Monastery Building. You will receive this code in arrival instructions sent ahead of time and it is also posted around the buildings.

Contemplative Atmosphere and Cell Phone Use:

In order to maintain a contemplative atmosphere and to respect the privacy of each guest, the use of radios, televisions and other disruptive devices are not permitted on the second floor of the Retreat and Guest House, including overnight and day retreat rooms. Please place cell phones on vibrate and do video conferencing on the first or lower level floors. If you need a quiet place for a video conference, please ask one of our staff.

Library:

The library is located on the lower level of the monastery building. You are welcome to check out books for use during your visit. Because this is not a lending library, we ask that you return all materials to the library before your departure.

Handicap Accessibility:

The Retreat and Guest House and Monastery Building are wheelchair accessible with designated parking and ramped walkways available. Both buildings have elevators. A wheelchair is available for guest use. It is located on the main level near the restrooms of the monastery building.
